Candy's Sacked and All's Ready for Kids Party

Thursday is the "Big Day" for hundreds of Torrance kiddies who will attend the Third Annual Lions Club Christmas party from 2 to 4 p.m. in the Civic Auditorium. Cooperating members of the Torrance Fire and Police Departments and others have spent the past few days sacking candy, nuts and fruits to be given to each child at the party.

Santa Claus will be there in person and called the Torrance Herald yesterday with the message that he would try to talk to every youngster at the big party. L. Milton Isbell, secretary of the Y.M.C.A., chairman of the program committee, said that there will be a Yuletide movie, carol singing and other specialties in addition to Santa's visit and the distribution of gifts. Adding to the joy of the affair, according to Paul Diamond, chairman of the Lions committee staging the annual Christmas program for the children of Torrance, is the fact that sufficient funds were collected not only to pay for the party, but to complete the payment for the third and fourth incubators for the Torrance Memorial Hospital, and to provide Christmas dinner baskets for 25 needy families of the Torrance area.

Diamond expressed his appreciation to the members of the Lioness Club, and to the merchants, industrial firms, and professional men and women and all others of Torrance for their cooperation. He also expressed his thanks to the City Council for their assistance and help toward the party.

There are no "strings" on the party, and every child will be welcome, Diamond said. He asked the older children attending to help in handling the throng. Members of the Fire and Police Departments will assist Lions Club members at the party. It is expected that at least 2500 children will be at the Civic auditorium tomorrow for the annual party. Chairman Diamond explained that Lions Club already had

Trial Set on Morals Count

Jack Gordon Slayton of the Lomita Flight Strip was arraigned before City Judge Otto B. Willett Tuesday morning and ordered to appear in City Court on Thursday to answer charges that he engaged in immoral acts with his 10-year-old stepdaughter. He is charged with violating Sections 288 and 261 of the California State Penal Code. Bail was set at \$1000.

purchased one incubator for the hospital and had assisted with the second one. The down payment had been made on the third and fourth incubators several weeks ago, and payment will be completed this week. The Lions chairman pointed out that the incubators are for use for babies needing them, without additional charge by the hospital. This is in accordance with an understanding with the hospital directors, before the first incubator was purchased, that they would be for "free use" of patients at the hospital needing them, he said.

We hope you're snowed under with all good things this Christmas.
